About Us

A family-owned and operated business founded in 1964, we realize that our success and growth are the result of meeting our customers' needs with quality products and efficient, courteous service. We take great pride in our long-lasting customer relationships built on trust, a strong dedication to service and a firm commitment to excellence.

In 1999 Mauger & Company, Inc. acquired Aabbots Oil Company located in Pottstown, Pa. After our acquisition of Plotts' Oil Company of Royersford, Pa. in 2013, we became Mauger Energy, a family of companies dedicated to you, the customer.

As Mauger Energy, we serve oil, gasoline and diesel customers, both residential and commercial as well as municipalities in 12 Pennsylvania counties. We are proud to say that we provide worry free and guaranteed heating and air conditioning service and installation in many of those 12 counties. We offer service contracts for your equipment that protect you 24/7/365. Pacific Pride Cardlock fleet fueling is another way we can service your needs.

Every drop of our heating oil contains the premium additive called "UltraGuard." Developed by petroleum experts, it is formulated to help ensure trouble free performance throughout the heating season. The additive ensures that your stored fuel will remain chemically stable, your combustion will burn cleaner and more efficiently, and your tank will be protected from corrosion. Simply put, you get MORE HEAT FOR YOUR OIL DOLLAR AT NO EXTRA COST!!!

We hope you will acquaint yourself with the products and services we offer, and we look forward to serving you. Visit us at www.maugerenergy.com.

It is the customer's responsibility to schedule the appointment for heater and A/C system maintenance and efficiency testing. You will add years to the life expectancy of your heater by keeping the unit maintained and serviced on a yearly basis. You will also save up to 10% on heating costs from the yearly maintenance. The service agreement covers up to two hours of labor for the cleaning and efficiency test. Additional time will be billed at prevailing rates.

Service Agreements

A-Bronze: Includes an annual cleaning and efficiency test of one oil heating unit. Also provides a 10% discount on labor and materials for 12 months.

B-Silver: Includes an annual cleaning and efficiency test of one oil heating unit, and a 10% discount on labor and materials for 12 months on non contract parts. This plan includes all parts listed below. Service is provided from 8 am - 4:30 pm with labor included on covered parts. Emergency service is available at a discounted rate until 10 pm with a 1 hour labor allowance on contract covered parts.

C-Gold: Includes an annual cleaning and efficiency test of one oil heating unit, 10% discount on labor and material not covered under contract, and a 10% discount on HVAC services. This plan includes all parts listed below. It will also include 24 hour emergency service for contract covered items.

The following items are covered under Agreements B-Silver & C-Gold:

- Non-Variable Speed Blower Motor (up to ½ H.P.)
- Blower Pulley
- Burner Coupling
- Burner Fan
- Burner Motor (residential)
- Buss Bar
- CAD Cell Eye and Leads
- 3-Piece Circulator Motor (residential only) – Limit One
- Circulator Coupling
- Electrodes
- Emergency Switch (if existing)
- End Cone
- Fan Belt
- Fan Limit Control (heat only)
- Fan Relay Switch
- Fuel Pump
- Ignition Transformer
- Inter Control Wiring
- Nozzle
- Nozzle Adapter
- Nozzle Line
- Oil Filter Cartridge
- Oil Filter (if existing)
- Porcelains
- Pressuretrol Switch
- Primary Control (heating)
- Singe Aquastat
- Thermostat Heat/Cool (with combo contract)

A Free Level 1 chimney inspection is included in contracts B, C, and combo oil contracts. The service will be done by a CSIA certified chimney technician.

The following items offer a \$50.00 allowance

- Dual or Triple Aquastat
- Combustion Chamber
- Aquasmart
- Hydrolevels
- Circuit Board
- Variable Speed Blower Motor
- Taco 007

You must be an oil customer on automatic delivery to purchase a contract.

Additional Service Options

With the purchase of a heating agreement the following options are now available.

Water Heater Service Agreement Plan G, any water heater: Under the Water Heater Service Agreement the unit is fully covered with the exception of water leaks, smoke pipe and connecting piping and/or wiring. All normal maintenance is included. Emergency service included.

Air Quality Service

With the purchase of a heating agreement the following options are now available.

Air Cleaner, Humidifier, and UV Light Service Plan I

Mauger Energy Tank Program

- Effective October 1, 2010 any Mauger & Co. heating oil customer enrolled in heating service contracts options B, C, or a Combo Plan will automatically be enrolled in our Tank Program. Each year that you are on the program we will bank \$50.00 into your oil tank replacement account. In the event your oil tank fails inspection and needs to be replaced this money is yours to be used towards a tank replacement. A yearly inspection will be conducted at the same time as your annual maintenance of your heater. A \$1,000.00 limit applies.

Mauger Energy Loyalty Program

- Effective October 1, 2010 those customers enrolled in service contracts options B or C will also be automatically enrolled in our Loyalty Program. For each year you are with Mauger & Co. and enrolled in the service contract program, \$100.00 will be added to a separate account to be used towards new equipment purchases as a way of saying “Thank You” for your business. In the event that you need to replace your heating or air conditioning equipment this money can be used towards the purchase. A \$1,000.00 limit applies.

- ***Not redeemable for cash or account credits*

- ***Effective October 1, 2010*

- ***Some restrictions may apply*

**Must be installed by Mauger & Co.*

Customer Referral Program

Refer a friend or neighbor, if they become an oil customer you receive a \$100.00 credit on your account.

Heating Maintenance Checklist – Oil Heat

Money Saving Combo Options

For customers who use heating oil, please select from the following options to save. All combo oil plans include 24 hour emergency coverage for contract covered parts.

Plan D: Combines oil heat with one central air conditioner

Plan E: Combines oil heat with one back up heat pump

Plan F: Combines oil heat with any water heater and multiple heating zones

Individual plan that can be added to any oil plan:

Plan G: Water heater, any type

Plan H: One central air conditioner

Plan I: Air quality plan

All non-oil plans cover labor for covered parts during business hours, 8 am - 4:30 pm.

The following parts are covered under the Air Conditioning and Heat Pump Plans

- Blower Motor (indoor non-variable speed only)
- Blower Motor Capacitor
- Compressor Capacitor
- Condensate Pump
- Condenser Capacitor
- Condenser/Fan Relay
- Condenser Motor (outdoor non-variable speed only)
- Disconnect Switch (if existing)
- Fan Belt
- Fan Relay
- Heat/AC Relay
- Low Voltage Wire in Condenser
- Rainshield
- Time Delay Relay
- Transformer
- Thermostat (non-programmable only)

All plans include a yearly 25 point maintenance service.

The following items offer a \$50.00 allowance (labor not included):

- Blower Circuit Board
- Programmable Thermostat
- Defrost Board
- Variable Speed Blower Motor

Oil Heating Terms and Conditions

In order to purchase a service contract, you must already be an oil customer who is enrolled in our auto delivery service. By selecting a service plan, the customer agrees to the following:

All heating oil requirements are to be purchased from the company during the term of the Agreement. To retain coverage, all accounts must be kept current. Minimum purchase of fuel oil per year to qualify is 400 gallons.

This burner service Agreement applies to the ordinary residence or comparable size commercial installations up to 3 G.P.H. (excluding G.E., Low Pressure and Rotary burners and other obsolete equipment) and is only available to customers who purchase their ENTIRE FUEL OIL REQUIREMENT from the Company.

The effective period of the Agreement shall be for one year commencing from the date of payment, subject to pre-inspection and approval of heating equipment. Equipment must be vented to an approved chimney.

This Agreement covers only those repairs and replacement of parts specified herein whose failure results from normal operation. Any person other than our technicians rendering repairs or adjustments will void this Agreement.

This Agreement does not cover water leaks, water damage, damage caused by excessive basement dampness, frozen oil lines from storage tanks, frozen pipes or water in the tank.

The Company shall not be liable for failure or delay to provide the service if the failure or delay results from availability at the source of supply.

The Company shall also not be liable for customer failure to use ordinary care in equipment operation, including but not limited to: failure to keep adequate water in boiler, oil in tank (if applicable), blown fuses, failure to turn on emergency switch, thrown circuit breakers, or any other causes unrelated to normal operation.

Under this Agreement, emergency service required other than regular weekday hours (8 am - 4:30 pm) must be due to complete system failure resulting in no heat and/or hot water. Any other service calls responded to during off hours will be billed at the overtime rate in effect.

Emergency service calls will receive priority scheduling.

If/when due to age or obsolescence, it is no longer practical to continue to service a customer's equipment, the Company reserves the right to rescind this Agreement.

All parts, equipment and/or labor not covered under this Agreement will be charged to the customer at the prevailing rate.

The following boilers or furnaces cannot be covered under this Agreement due to parts availability: Winkler, Oil-O-Matic, GE, Timpkin, Dynotherm, any pot type, vaporizing burners, Iron Fireman, mobile home furnaces, Blue Ray or furnaces or boilers that can alternatively burn other fuels such as coal or wood.

This Agreement covers residential units (up to 3 G.P.H.) that have a chimney, not including mobile homes. Business and industrial quotes available upon request.

Failure to comply with this Agreement renders it null and void, nor shall the Company be required to refund in full or part any payment for this agreement.

THIS AGREEMENT WILL BE AUTOMATICALLY RENEWED FOR A LIKE TERM UNLESS A 30 DAY WRITTEN NOTICE IS GIVEN BY EITHER PARTY. SUCH RENEWAL SHALL BE SUBJECT TO ANY PRICE CHANGES MADE BY THE COMPANY AND THE PREVAILING RATE AT THE TIME OF RENEWAL. THIS AGREEMENT IS NOT WRITTEN ON A PRO-RATED BASIS, AND NO REFUND WILL BE MADE IF CANCELED PRIOR TO NORMAL EXPIRATION DATE.

AC / Heat Pump Terms and Conditions

Mauger & Co., Inc. reserves the right to inspect and approve the equipment covered before accepting this Service Agreement. Initial repairs required to put the A/C (up to 5 ton residential unit) in an acceptable condition are not covered. All plans will automatically be renewed from year to year unless terminated by either party giving 30 days notice. Service under any plan will be suspended if customer service charges are not paid when due.

If buyer permits any persons other than our employees to render repairs to the equipment, except as instructed by us, the plan is void. Plans include only the repair and replacement of parts specifically listed herein which are defective due to ordinary wear. They do not cover any part not specified in the plan.

We are not responsible for replacement parts that are obsolete or not obtainable. We do not guarantee the availability of any repair or replacement parts.

We shall not be liable for any loss, damage or injury arising from the service performed or parts supplied under this Agreement unless the loss or damage is caused directly or solely by our negligence.

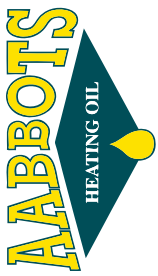

This Agreement contains the entire Agreement of the parties hereto, and there are no promises, terms, conditions or obligations other than printed herein.

This Agreement covers only electrically operated units inside the equipment and does not cover electrical or plumbing work, or any work required because of negligence or the misuse of equipment. Also, any work required caused by fire, flood, acts of God, shortages of electrical or water supply shortage, or freezing will not be covered.

There will be no refunds on any unused portion of the plan.

Business Hours

Normal business hours are Monday - Friday, 8 am - 4:30 pm. Any service provided after these hours, with the exception of Plan B, C and Combo Plan contract customers, will be billed at the prevailing rates.
