Dearest friends of Mauger and Company;

Another incredible year and another incredible amount raised for the Foundation and our heroes! Can never thank Phil, Becky, and the entire team of volunteers that make this possible every year. Thank you for your tax-deductible check of \$18,000 dated June 11, 2019. I also want to again thank Bud and the entire Mauger family for all their support.

Our approach, assisting individual Veterans in crisis, and funding programs that do the same, is having a marked impact on Veterans quality of life, and survival, in Pennsylvania. We have helped thousands either directly or by referral to organizations that provide the resources they need for survival, success, and reintegration. ***Our programs include equine therapy, homeless shelters, necessities for living, weekend retreats, summer camps for children of deceased military, service dogs, recreational therapy such as fishing, hunting, rafting, and hockey, employment skills training, and one-on-one mentoring.*** It was fantastic that Steve Nichols and wife Kathy could attend our June 8th event to see firsthand some of the incredible programs we support with your hard-earned donations.

Our average grant of \$1,000 is an opportunity to get a Veteran out of the darkness, to stand tall, and in some cases, save their life. We grant hope, dignity, respect. You have helped us impact the lives of so many Veterans and their families, what a legacy! I spend countless hours seeking private and government grants, begging for support of Pennsylvania Veterans. I salute you for your continued support of the Foundation's ability to have a decisive and life changing impact.

Sincerely,

Michael G. Gould, Chairman
